

### ATTACHMENT - REMARKS

Claims 1, and 3-25 are pending in the present application and indicated as allowable per the *Ex parte Quayle* Action. By this Amendment, Applicants have amended claims 1, 3-17, and 24 and note that claim 2 was previously cancelled in the Amendment filed on July 28, 2008. Applicants respectfully submit that the claim amendments obviate the objection and place this application in condition for allowance based on the discussion which follows.

Claims 1-25 (actually only claims 1 and 3-25 since claim 2 was previously cancelled) were objected to for including informalities such as inferentially referring to recited elements and lacking proper antecedent basis. By this Amendment, Applicants have amended the claims identified above to thereby obviate the objection to the claims.

Applicants respectfully request that the objection to the claims be withdrawn in view of the claim amendments, and find that the present application is in condition for allowance.

Respectfully submitted,

Date: January 21, 2009
